

Subject: Invitation to join an event on - an exclusive opportunity for students to gain Future-ready technological skills – reg.

Dear Sir/Mam,

Greetings from All India Council for Technical Education..

The digital talent shortage in India is expected to continue through the coming years. To meet the gap, we are pleased to bring a virtual internship program – Future Ready Talent – to train students in the latest azure cloud and security skills to help them become the competent workforce of tomorrow.

Open to aspirants across specializations, the program seeks to upskill and prepare learners to resolve real-world business challenges by leveraging Microsoft Azure & GitHub tools.
